Who is this for?

Current project team members

If you have passed your PRINCE2 Foundation exam, you have most likely been able to practice PRINCE2 within your project. The Practitioner certificate will qualify you as a registered PRINCE2 Practitioner which shows that you are able to manage simple projects using PRINCE2.

“I was supporting projects and wanted to start managing them instead”

Unemployed project managers

If you are currently seeking a job in project management, then becoming PRINCE2 certified will instantly increase your chances of employment. You will find that most project manager job specifications expect you to be a full PRINCE2 Practitioner, rather than just having completed the Foundation course.

“I had enough experience, but I never heard back from any interviews.”

Aspiring project managers

If you're looking to work in project management, PRINCE2 certification will instantly give you a head start by making your CV stand out from the crowd. If you are motivated towards a successful career transition you can be confident that the PRINCE2 Practitioner is one of the hottest certifications around.

“I wanted to work in project management but had no relevant experience”

Why this course?

Choose the PRINCE2 online Practitioner course if you have passed your PRINCE2 Foundation exam and are looking to manage PRINCE2 projects. By taking this course you will become a registered PRINCE2 practitioner, the status of which lasts 5 years and is essential to any project manager's CV. PRINCE2 is not only the most popular project management qualification in the world, but the most widely used method in the UK. So, why not join us and the other 1 million people who are now PRINCE2 certified?

Online training attracts many of our delegates who do not have time to attend a classroom course. Benefit from the flexibility of training when and where you want and take your exam online. You also have the choice of taking your exam at our London training centre. All you will need to complete your PRINCE2 online Practitioner course is a computer with Internet access.

What are the benefits for individuals taking the course?

- Certification will instantly boost your CV and job prospects
- You'll learn a common vocabulary to use across your projects
- You'll gain authority and proof of your PRINCE2 knowledge
- You'll learn better ways of managing your projects
- You'll gain the world's most popular project management qualification

What are the benefits for organizations?

- PRINCE2 can be used on any type/size of project
- PRINCE2 can work alongside other methods/practices e.g. SCRUM, agile, PMP
- Your existing project management practices can be continuously improved
- Senior managers' time can be saved by eliminating regular progress meetings

Why choose Knowledge Train?

Obsessed with project management

Since 2005, we have focussed on one subject: project management. Not many other providers can say that. In fact, many of them offer courses in seemingly everything. Our director is an experienced project manager with years in the field. And so are all of our trainers. You can feel confident that you will be taught by an expert with a passion for project management.

Customer service, not sales

We know sales teams are annoying. So we don't use this approach. No telemarketing. No cold calls. No pestering. And no passing the call around like a disease. Call or email us and get through to a helpful person who knows our courses inside out. We are a small team who get to know our customers well. Have confidence we will help you.

High exam results, year after year

Need more proof that we offer great courses? Look no further than our exam success statistics. Since 2012, we have achieved above average exam success rates for our PRINCE2 courses. A huge 99% of students pass the PRINCE2 Foundation and 83% pass the PRINCE2 Practitioner. Not booking PRINCE2? Our MSP, Agile and PRINCE2 Agile exam pass rates are all well above 83%.

No corporate greed

All businesses have an aim to make money. And in that respect we are no different from the others. But. Our terms and conditions have not been created to scam you out of your money. We won't keep your money in the event of course cancellation. Some training providers will. If we have to cancel your course you will be entitled to get a refund or move your date.

Courses to suit modern life

We know our students lead busy lives. So we offer courses on weekdays, at the weekend or online. Some courses are run every single week or month. There are a wide variety of dates to choose from. Feel confident that you will find a course to fit in with your schedule. No matter how busy you are.

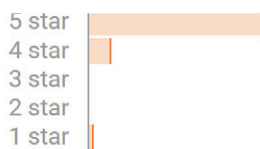

Finally, read our genuine reviews

Check out our [Google Places page](#) and our website to see what past students really think about us. We don't use third party review websites like some companies out there. They often manipulate those reviews in their favour. And they delete the negative ones.

We have nothing to hide. Have a look around the website. Call us. Email us. Ask us anything.

★★★★★ Brilliant week, enjoyed it thoroughly. Tutor was excellent, learnt a hell of a lot and he had a great sense of humour which mean I found myself smiling throughout :D I passed both the Foundation and the Practitioner and wouldn't have done it without Kobus (our tutor). Location is great, friendly environment and class size is great - about 16 of us I think. Highly recommended! Plus it was the cheapest 'classroom' course I could find in London!
